

Child Protection Tutorial for Parents

Summary

This elearning tutorial covers key Child Protection information that all parents, guardians, and caretakers in a school community should know. The content aims to build common understanding and culture through a focus on shared values and actions. It can be delivered to groups or provided to individuals. Upon completion, participants are taken to a customized webpage and printable handout that summarizes the key takeaways and shares Child Protection information and links from the school.

Topics

What is Child Protection?	Our Child Protection Obligations
